In order to help document the fun and memories throughout camp, each student will be keeping short journals of their daily experiences. These journals may also be used to convey important information regarding your child, including helpful notes from camp staff, and some fun memories of our own. We'll let you know about these notes if they show up in your child's journal and if / what the next steps should be. Ask our Manager

## WEEK 1: ART IN MOTION

Campers can expect to make art that moves, art that captures motion, and to explore the forms of favorite things in motion including vehicles, animals and nature, and optical illusions. Of course, we'll also enjoy all the movements we get to make as we make art in motion.

*Explore the possibilities of art in motion- in your art, in group projects, and experience all the art already moving around you!*

### TEACHER SPOTLIGHT: JAMIE RUIZ

During the school year, Ms. Ruiz is the art teacher at Sunset Park Elementary. She graduated from UCF in 2009 with a Bachelors in Art Education. This is Ms. Ruiz's third year teaching at the Art & History Museums—Maitland's Summer Culture Camp and we are so happy to have her back!

## SO WHAT ARE WE DOING THIS WEEK?

**Is your child one of our full day campers? Here's what's on the agenda from 2 pm—4 pm each day.**

### Monday

Art Car Visit and Seat Decorating! Did you know the A&H has its very own art car? This summer our campers get to see the artwork of local artist Andrew Spear up close and in motion as they visit with our Art Car. Each full day camper will also get the chance to leave their own mark on our car as they help decorate the car's seat covers.

### Tuesday

Let's go Fly a Kite! Kite making is a fun and easy craft. We'll be hoping for a breezy day as we make, decorate, and fly our own kites. Kite races, competitions, and prizes will end this afternoon in the skies.

### Wednesday

Learn how to make and use your very own hand puppet with a professional puppeteer from Michlee Puppets! MicheLee Puppets has been empowering lives through the art of puppetry for over 31 years. Visit us at [www.micheleepuppets.org](http://www.micheleepuppets.org) for live shows, videos, classes, and special events.

*Keep checking back this summer as our newsletter is updated with new art!*

## OUR WEEK CONTINUED...

### Thursday

A visit to the Maitland Art Center. Our campus is a special place with new and exciting things around every corner. Today we'll be touring our grounds, our gallery, and participating in some Plein Aire drawing.

### Friday

Curatorial visit, art show, and movie day! Our weeks always end in our Art Show. Be sure each camper saves their favorite art piece from the week to be proudly displayed in our showcase. A staff member from curatorial will stop by to discuss the process of displaying art in a museum and help our show really stand out! We'll end the day by watching the hit Disney / Pixar movie, Cars!

**Don't forget a box or bag to transport all of your child's beautiful creations!**
