NEW THIS YEAR:

In order to help document the fun and memories throughout camp, each student will be keeping short journals of their daily experiences. These journals may also be used to convey important information regarding your child, including helpful notes from camp staff, and some fun memories of our own. We'll let you know about these notes if they show up in your child's journal and if / what the next steps should be. Ask our Manager for more information!

- Andre Smith had a personal book collection of over 700 books!
- Andre Smith was passionate about the range of artistic possibilities for the use of concrete. No one knows his exact recipes for his special kinds of concrete.

WEEK 6: BACK IN TIME

We'll be turning back the clock this week as we explore art and its history over the years. From ancient cultures, to our more recent local past, to even times before history we'll be covering it all as we work in mixed mediums of paper, clay, and more!

Step back in time to learn about ancient art techniques and styles, explore historic homes, play historic games, have a tea party, and learn about the mysteries of the Maitland Art Center. End the week by creating your very own carnival.

TEACHER SPOTLIGHT: PJ SVEJDA

This is PJ's third year teaching at our summer camp. PJ is a professional teaching artist who focuses on both adults and children. You can find her teaching all over Orlando including our Acrylics class at the Maitland Art Center. PJ has a BFA in Illustration and a MA in Painting from the Savannah College of Art.

Carnival Day Prep—This week we'll be finishing off our week with a fun filled carnival. But there's a lot of work involved to get it ready to go! Today we'll be making some of the games and other activities we'll be doing during our carnival day of fun. We'll be working on these games more throughout the week so no worries if you don't get them completed!

Tuesday

Pajama Party—Today we'll be having a good old fashioned pajama party. Be sure to bring pjs, pillows, blankets, and even stuffed animals from home. We'll be popping popcorn, eating popsicles, and enjoying the movie *We're Back! A Dinosaur Story*.

Outreach-Orlando Shuffle. Did you know that there are shuffleboard courts on our campus that have been here since 1937? Do you know how to play shuffleboard? Well today we'll be having a special visit from Orlando Shuffle, a group that loves to play shuffleboard. We'll be visiting our original shuffleboard courts and learning how to play the game from some experts.

Friday

Carnival Day & Art Show—Our artwork will be displayed for parents to see and enjoy but the real highlight of our day will be the Carnival! Parents are welcome to attend but not required. Our carnival will be taking place from 2 to 4 and games, prizes, magic shows, and face painting are all on the agenda!

Don't forget a box or bag to transport all of your child's beautiful creations!
