ABOUT A&H

Contempo Photography

The A&H's Maitland Art Center, originally known as the Research Studio, was founded in 1937 by visionary artist and architect J. André Smith.

The center was originally a winter artist's colony, dedicated to fostering an exploratory approach to modern art. The hundreds of original sculptural elements that adorn the structures were hand-carved by André Smith and his associates, and the center remains one of the few surviving examples of Mayan Revival architecture in the southeastern United States. The integration of sculpture and architecture makes the entire center one of André Smith's most important artworks.

Weddings began being held in the Chapel in the late 1940s, and we're proud to continue to offer the public a chance to share their special life moments on our historical grounds.

FAQ

Q u e s t i o n	A n s w e r
<i>Are there vendor requirements to host my event here?</i>	Our venue requires exclusive vendors for catering/bartending and event furniture rentals in our historic spaces, and a professional day-of coordinator for all full ceremony and reception packages."
<i>Do I need insurance for my event?</i>	All events require day-of event insurance (minimum \$1M/occurrence, \$2M aggregate) listing us as additional insured.
<i>Why does my event have to end at 10pm?</i>	As a valued neighbor in this community for nearly 80 years, A&H asks that all events end by 10:00pm and vendor breakdown finish by 11:00pm, out of respect for nearby residents.
<i>What is your booking and cancellation policy?</i>	To reserve, half of the rental fee is due with the signed contract, with the balance and \$500 security deposit due 60 days before the event (or in full at booking if within 60 days). Rental fees are non-refundable upon cancellation; date transfers are allowed once, for a \$200 fee, if requested more than 90 days out.
<i>Are there any restrictions I should know about?</i>	As a historic site, we don't allow open flames, confetti, glitter, or artificial florals; fresh flowers are welcome if fully cleaned up by the end of your rental. Décor cannot be hung directly from our walls — all hanging décor must be suspended from a free-standing structure
<i>Where will my guests park?</i>	Guests may park along Packwood and Central Avenues, or in the education studios lot behind the Main Garden — ask about our parking map!
<i>Can I bring my dog?</i>	Yes! Four-legged family members are welcome as part of your special day!
